

## Rural Transport Consultation

We are currently undertaking a rural transport review about key transport issues in rural areas, with a focus initially on Buchlyvie, Drymen, Callander and Killin.

We want to know your views on transport needs and the extent that existing public transport is meeting these needs. We are also interested in exploring alternative methods of providing local transport.

An online consultation questionnaire is available at <http://bit.ly/RuralTransport2017>. If you would prefer a paper copy or have any other questions, please email: [transportcoordination@stirling.gov.uk](mailto:transportcoordination@stirling.gov.uk). Paper copies are also available at libraries in the area and on the library bus.

We are also be holding the following events at which you can speak directly to Council officers.

Day	Date	Time	Venue
Tuesday	8 August 2017	3 pm – 7 pm	Drymen Library
Thursday	10 August 2017	3 pm – 7 pm (followed by Community Council meeting at 7.30 pm)	Buchlyvie Village Hall
