Please read this declaration carefully before you sign and date it.

I understand the following.

- If I give information that is incorrect or incomplete, you may take action against me. This may include court action.
- You will use the information I have provided to process my claim for Housing Benefit or Council Tax Benefit, or both. You may check some of the information with other sources as allowed by the law (e.g. Department of Works and Pension, Employer, Pension Provider etc.)
- You may use any information I have provided in connection with this and any other claim for social security benefits that I have made or may make. You may give some information to other organisations, such as government departments, local authorities and private sector companies such as banks and organisations that may lend me money, if the law allows this.

I know I must let the council know about any change in my circumstances which might affect my claim and if you pay me too much benefit, I will have to pay it back.

I declare the information that I have given on this form is correct and complete.
