**Minutes of 25<sup>th</sup> January 2006** - Moved R.Jardine Seconded A.Strang.

#### **Matters Arising from Minutes**

Members acknowledged the quick response to fencing being extended to end of grass area at Forth Street junction by Stirling Council.

Comments were made at the good work being carried out on the new stone wall being erected on Shore Road by the developers.

Speeding cars - Secretary to contact PC Colville to find out if monitoring system has been carried out.

Lack of lighting and general state of underpass at Lovers Lane - Cllr.Mckean to see L.Goodfellow Stg Council

State of building at Abbey Mill entrance - Cllr Mckean to see M.Stewart Stg. Council

#### **Community Police Report**

Apologies received from PC Colville who has only just returned to work and unable to furnish members with an update.

#### **Correspondance**

Campaign for Quality Compost - Brown bins will not be emptied if contaminated with household refuse. Yellow stickers on the bin will inform residents to remove everything except cardboard and garden waste.

Postwatch Scotland winter newsletter.- Article on queuing time at Stirling Post office.

Temporary closure to Lovers Walk for the refurbishment of the railway viaduct. There will be further closures later in the year and advanced warning signage will be placed at the entrance to Lovers Walk

#### **Any Other Business**

New grass cutting arrangements. 3 community council members had attended a meeting to discuss the new proposals and had informed environmental officers that this community council was opposed to the proposed changes. Officer at the meeting asked if a trial area within the Riverside Drive grassed area could be developed.
