**Minutes of Meeting held on 6th July 2006
Aberfoyle Memorial Hall**

1. **Sederunt;** R Dingwall, M Campbell, Paul Owens, Owen McKee, Alistair Beaton, John Fraser, PC Donald King
2. **Apologies;** Dr S. Jackson MSP.
3. **Minutes;** Agreed
4. **Matters Arising;**

Aberfoyle Primary School: Neighbour notifications have been sent out. Plans appear to show that access to the school house will be blocked by new build. Still concern over lack of useful playground space. Parents, school board & community in general are unhappy with the plans. Most feel that problems of building over the culvert could be solved. The tender details (under the freedom of information act) will be requested as will the Engineers report. The question was raised of the possibility of losing the funding if objections caused more delays. It was felt that most parents would still prefer to submit objections.

- ♦ Multi-member wards & corporate status for CC's – better maps have been requested.
- ♦ Community council share of £28,000 grant - Agreed to put it to the Play park
- ♦ Community £1000 to be put to noticeboards required for the 3 wards. To be looked at and actioned by Ros and Maureen.

6. Planning.

Applications received: All house extensions. Requested copies of plans but told that as these are now dealt with as delegated decisions they are not sent to CC's. Copies available at Balloch. CC understands the need to speed up planning process, would not expect to object to such applications but would prefer to see them for information. Suggested copies relevant to Strathard could be sent to Discovery Centre for viewing. Still waiting to see copies of plans for Stronachlachar Lodge.

Query re building on Drumlean. Plans needed? Owen to follow up.

7. Treasurer's report, report on the CC finances up-to-date. Xmas Grant – none this year. Admin grant less than previously.
