**Q33 Delay reinstatement of Loan Charges Budget-** The current financial strategy contains a reduction to the Loans Charges Budget in 2017/18 of £1.5M, with that reduction then being built back in by a budget increase of £0.5M in each of the years 2018/19, 2019/20 and 2020/21. Given the continued low interest rate regime, this timescale could be pushed back out by a year, or even not build that increase in at all for one of the years.

#	ANY COMMENT ON THIS OPTION	DATE
1	School meals should be restricted to save money.	2/9/2018 3:29 PM
2	Concerned that saving this money would mean not spending money on young people. We know lots of people eat school meals and having less choice might mean some cannot eat them anymore due to dietary requirements.	2/9/2018 3:27 PM
3	Encourage to bring a packed lunch so 1 choice would be fine. Young people bring packed lunches because school meals are not tasty.	2/9/2018 3:21 PM
4	Money could be used in school for other more important. This would be a good way to make savings. Most young people go out of school anyway. I'm fussy so it is good to have more options.	2/9/2018 9:43 AM
5	4 agreed, I neither agreed or disagreed, 3 disagreed and 1 strongly disagreed. I think there already are a lot options, you waste a lot of lunchtime trying to decide what to have. Less food waste. This will be better to promote healthy eating.	2/8/2018 7:28 PM
6	It is absurd, I can't eat dairy so would have little or no choice. There is already no gluten free options.	2/8/2018 7:14 PM
7	We already only get 2 which is less than primaries. We would be annoyed and it would make us go out of school and get unhealthy things like chips.	2/8/2018 7:10 PM
8	All P1-P7 may not like the reduced options on offer - this might mean people will go hungry. School might be the only place we have access to a choice of healthy food.	2/8/2018 7:00 PM

**Q39 Reduce Educational Psychology Service- As a smaller-scale alternative to establishing multi-agency locality teams (T001), Educational Psychologists would spend part of their week co-located with outreach teachers and support workers within a school in each locality. These locality-based approaches to service delivery across schools would result in efficiencies, mitigating against a reduction in the size of the Educational Psychology Service. This would save £50k in one year - 18/19.**

1	Would be okay if we still get good support	2/9/2018 1:00 PM
2	Folk need help so young people might end up not having it.	2/9/2018 9:43 AM
3	2 agreed, 5 disagreed and 2 strongly disagreed. This would mean a lot of young people would not get help.	2/8/2018 7:28 PM
4	We don't think it is fair because support workers help us and give us the opportunity to get help that we might not get at home. Some of our friends get help from people in school.	2/8/2018 7:06 PM
5	Not much to say with regards this proposal as have not been supported or aware of them.	2/8/2018 7:00 PM

**Q40 Revised partnership agreement with Sistema Scotland – Big Noise Raploch- Revised partnership agreement with Sistema Scotland from March 2018 for delivery of the Big Noise programme in Raploch. This would save £225k over a three year period from 19/20.**

1	A mix of neither agree/disagree and strongly disagree. We don't get it so doesn't affect us.	2/9/2018 1:00 PM
2	Not stop this but reduce the amount of money they get. Reduce the amount of sessions they run. We don't get groups like that up here in St Ninians.	2/9/2018 9:43 AM
3	2 agreed, 5 neither agreed or disagreed and 2 strongly disagreed. This project helps people get out more. Helps young people to learn about music. It would upset young people if it was taken away. It's a shame it is just for young people in Raploch.	2/8/2018 7:28 PM
4	They should have their funding cut as they waste money on fruit and instruments they don't use.	2/8/2018 7:10 PM
5	I go to Big Noise twice a week after school and have Big Noise in school. I like to go for something to do and get out of the house.	2/8/2018 7:06 PM
6	Big Noise should be open to all people in Stirling.	2/8/2018 7:00 PM

**Q41 Review Communities & People payments to third sector organisations- Review of all Communities & People payments to third sector organisations to identify opportunities for reductions in funding or recommissioning. This would save £200k over a four year period from 19/20.**

1	A mix of neither agree/disagree and disagree Some are worth the money	2/9/2018 1:00 PM
2	This would save so much money for the Council.	2/8/2018 7:28 PM
3	If the service is going to help people then they should stay.	2/8/2018 7:00 PM

**Q42 Reduce grounds maintenance- Stop the planting of bedding flowers and vegetables on an annual basis each summer. Existing beds would be removed or replanted with perennial plants to reduce costs and redeploy resources. Reduce the rate of herbicide applications to combat roadside weeds from twice a year to once a year from 2018. The existing contract expires in 2017, providing an opportunity for retendering. Also, stop annual treatments designed to reduce the spread of invasive weeds, to save money. Existing work is focussed on areas of need near settlements or near access points to the Rivers Forth and Teith. This would save £36k in one year - 18/19.**

1	There are more important things so happy for money to be spent on other things.	2/9/2018 3:33 PM
2	There are more important things than flowers etc so happy for money to be cut from grounds maintenance to allow things to remain elsewhere.	2/9/2018 3:27 PM
3	Agreed that money should be cut but flowers are important to help the survival of bees.	2/9/2018 3:21 PM
4	Makes the place look nice	2/9/2018 1:00 PM
5	Everyone just kicks them down. It's good for the environment to have plants.	2/9/2018 9:43 AM
6	The flowers make the place look lovely.	2/8/2018 7:28 PM
7	We think that they should have a little less flowers but not loads less as it makes Stirling really pretty and bright in the Summer.	2/8/2018 7:06 PM
8	Think the flower beds make Stirling look nice and they should stay.	2/8/2018 7:00 PM

**Q43 Stop deep cleans of communities- Stop deep cleans of communities which are currently delivered on a recurring basis to maintain the cleanliness of areas of need to reduce costs. This would save £70k in one year - 18/19.**

1	McDonald Drive is a nightmare just now, it would be worse. This would cause environmental health issues. Birds and wildlife would get stuck in the rubbish and hurt themselves.	2/9/2018 9:43 AM
2	The place would be messy.	2/8/2018 7:28 PM
3	No, keep cleaning our areas so they look good - could you imagine what the streets would look like.	2/8/2018 7:00 PM

**Q44 Restructure and redesign Safer, Connected Communities Service- Restructure and redesign of the Safer, Connected Communities Service, resulting in reduced staff numbers and service provision. This will necessitate the stopping and/or reduction of services, including enforcement, community engagement and other functions. This would save £100k in one year - 18/19.**

1	We like the Youth Team and like coming to this group	2/9/2018 1:00 PM
2	I have been coming to the youth club for over 5 years. It's the only thing in our community for us to do. You can come somewhere with your friends that you feel safe. Your not getting in to trouble in your community.	2/9/2018 9:43 AM
3	Youth Clubs are the best. It is somewhere that you can do things you like, have fun and be relaxed.	2/8/2018 7:28 PM
4	Some of the group agreed with this due to their mum getting parking tickets - so they think they should cut them. Most disagreed as people are keeping the place safe.	2/8/2018 7:00 PM

**Q45 Reduce grass cutting- Reduce grass cutting to open spaces including parks, residential areas, burial grounds and general open spaces currently maintained by Stirling Council and reduce the frequency of grass cutting cycles from 15 to 10 per year. Only the perimeter of grass open space plots would be cut, leaving the remaining grass plot unmaintained. This would save £100k over a two year period from 18/19.**

1	Agree to grass cutting allow things to remain elsewhere.	2/9/2018 3:27 PM
2	Worried that reducing the grass cutting would make playing fields inaccessible for games e.g. football	2/9/2018 3:21 PM
3	Where will we play football if the grass hasn't been cut	2/9/2018 1:00 PM
4	We need the grass cut.	2/9/2018 9:43 AM
5	This would make areas where we play harder to play in. The grass would be so long.	2/8/2018 7:28 PM
6	This is a good idea because our areas will still look good but help save money for more important things.	2/8/2018 7:06 PM
7	If the grass gets left for longer it will look worse and people won't look after the area.	2/8/2018 7:00 PM

**Q46 Reduce funding to Smith Art Gallery & Museum- Reduce funding provided by Stirling Council to the Smith Art Gallery & Museum, which is a £242,000 annual subsidy at present. This would save £242k over a two year period from 21/22.**

1	A mix of agree and strongly disagree. Been with the school.	2/9/2018 1:00 PM
2	A mixed response - strongly agree, agree to disagree. Not everyone is in to that stuff anymore. I think we should keep it as they have come into our school before for projects that we have done.	2/9/2018 9:43 AM
3	We have done some Victorian work around art galleries and we used the art gallery to help us with our project. We love the art gallery.	2/8/2018 7:28 PM
4	We haven't visited but have heard about people who have. Save Oswald the cat.	2/8/2018 7:06 PM
5	We went with the school and liked it.	2/8/2018 7:00 PM

## Q47 Your ideas

Answered: 2 Skipped: 10

#	RESPONSES	DATE
1	Schools shouldn't print as much stuff and that would save money.	2/8/2018 7:16 PM
2	Cut school days Cut down less trees Provide more transport. Raploch young people have to walk to Union Street for a bus to school. Other places get free transport.	2/8/2018 7:11 PM

## Q48 Do you wish to be involved in this process in the future?

#	RESPONSES	DATE
1	We should be trying to make the Council as good as we can. Most of the cuts will mean folk lose their jobs. It will be the poor communities that get hit hardest. Nobody ever cares about what we think of this stuff.	2/9/2018 1:01 PM
2	Builders should build and not just sit in vans. People pay less tax. Foreign people should pay to go to Uni. Fund more Police and then there would be less drugs. Use local trade to fix housing - we shouldn't use English companies as it takes longer.	2/8/2018 7:16 PM
