

**Strathard Community Council Draft Minutes of meeting: Thursday 4th February 2021. online via zoom**

**Community Councillors Present:** Trevor Geraghty (Chair), Gillian McEwan, Joyce Kelly, Natasha Sheppard, Lynda Mccoll,

**Minute Secretary:** Kate Bovill

**Attending:** Stirling Council: Michelle Flynn, Jeremy Rice McDonald & Martin Earl

3 members of public

**Apologies:** Stuart Stephens, Michelle Colquhoun

Topic	Discussion	Action
<b>1. Opening</b>	TG chaired the meeting & welcomed all.	
<b>2. Minutes</b>	Proposed JK, seconded TG	
<b>3. Matters arising</b>	<p>Road improvement work: ME – confirmed B829 one of 3 routes being worked up for a bid, deadline march. He cautioned however It may not be in the final bid.</p> <p>Ian Henderson (IH) identified that minutes for 01/2020 were missing from the SCC website.</p>	<p>ME to keep SCC informed</p> <p>Action TG/GMc Locate any notes &amp; bring for approval at next meeting</p>
<b>4. Planning Lists Attached Appendix 1</b>	<p>JK explained that due to the number of items she had to brief she did not intend to go through the planning list line by line and asked all if anyone had specific concerns with the contents of the list. She said nothing appeared to be controversial. No specific concerns were raised.</p> <p>She highlighted the following for CC attention</p> <p>No 4 – new application for new build. No objections lodged</p> <p>2019/0305/DET has been given the go ahead despite cc lodging formal approval</p> <p>IH highlighted that the neighbour notification he received contained mapping which was not accurate. Michelle Flynne (MF) advised IH to lodge his comments via the planning portal.</p>	

	JK advised that there were 9 overdue applications extant this period.	
5. LLTNP Visitor management & preparation	<p>JK provided a brief on a recent virtual meeting she had attended with Matt Buckland, the LLTNP Visitor Operations Manager who is responsible for looking at the pressures of the increased visitor footprint across the Park. Matt’s aim is to develop plans to help manage the situation. He is looking at short and medium/longer term strategies. JK went on to explain that while Strathard had a particular problem this past year, even before COVID 19, visitor numbers were increasing, and there was no reason to suppose the visitor footprint was set to fall in the future. There may be less staycations when restriction are lifted but we are seeing that the Strathard region is very attractive as a weekend/evening visitor spot. JK stated it was a productive meeting with all indications that Matt was keen to work with the relevant community Stakeholders to try and come up with solutions which, as far as is practical, meet with approval of the community and aspirations of the User groups who wish to use the Park. She expected there to be good engagement from our residents as this is a topic very important to all and will keep the SCC informed on progress.</p> <p>Natashya Shepherd (NS) – highlighted importance of any approaches re climate crisis, low carbon targets &amp; the ongoing weight of traffic and asked if this would be addressed?</p> <p>JK – responded that this review was looking at short term re new pressures with ‘staycations’ but there are obviously longer term issues</p> <p>ME – Commented that sustainable travel was very much a priority for LLTNP, he chairs a focus group in collaboration with LLTNP on this subject to identify possible strategies.</p> <p>Gillian McEwan (GM) added that many cyclists travel to area by car.</p>	JK – will send on consultation survey to SCC for review before general distribution to residents

	<p>TG – Enquired if the general impact of visitor conversations &amp; solutions was focussing on Kinlochard?</p> <p>JK – Responded yes but consultation will include Aberfoyle and the wider Strathard and this will be fed back to the park.</p> <p>TG – The reality is that public holidays as well as Mother’s day were imminent and said it was imperative that Aberfoyle toilets were open. Layby signage was also important and looking at the possibility of business comfort partners including Forest hills to support this need.</p> <p>ME - council are reviewing ways to provide enforcement over evenings/weekends by start of financial year. Police, alteration to bylaw re alcohol use. Police will no longer need to witness consumption – open container will be enough but enforcement will be essential.</p> <p>ME said that the budget for LLTNP approved with increase for managing due to impact of covid (visitor numbers &amp; change in demographic/behaviours)</p> <p>Car park – concern expressed that if permission given to Fergus Wood for temp car park that this will set precedent &amp; lead to negative impacts.</p> <p>NS – identified risk to pedestrians, particularly K’ard from more visitors as there is no paths. JK said that Carolyn Fraser was keen to get speed limits agreed to support traffic management for the B829</p> <p>Kate Bovill (KB) asked about budget ranger/start date</p> <p>ME said ranger budget was included in the overall budget increases for this year.</p> <p>IH, queried role of rangers re public engagement and litter picking. KB responded with detail around Ranger remit and byelaw management.</p> <p>Billy explained that litter collecting not part of ranger remit. Not enough of them to manage litter.</p> <p>Jeremy McDonald (JRMCD) – Pop up bins, tanks for grey water. Offered to take forward</p>	<p>TG to check toilets available at start of season</p> <p>ME keep SCC informed of progress.</p> <p>JRMCD to keep SCC informed</p>
--	--	--

<p><b>7 Collaboration with other CCs</b></p>	<p>JK opened the brief by reminding the SCC of a previous briefing which explained that Gavin McLennan of Kilmarnock CC was spearheading a mission to get a consortium of National Park Community Councils to agree to lobby for the LLTNP to adopt more accountable processes in regard to their plans and policies. It was agreed at the meeting in November that the SCC should join the Kilmarnock initiative. JK said that this was an update to the initial briefing explaining progress to date. Gavin had now managed to interest a fair no of CC's to become involved. His plan is to ask each CC to circulate a survey to gather empirical evidence on perceptions within the communities on LLTNP performance. While It is a fairly short survey the SCC have a problem in that they have been, and are continuing to, distribute surveys in support of other initiatives currently being undertaken and cited the need to avoid survey fatigue. JK said that this had been explained to Gavin and asked for SCC views on the timing of distribution of another survey. It was agreed that the SCC should delay distributing the survey until mid March earliest. At this point ME said he had seen the preamble which accompanied the survey and took exception to some of the wording which he said was inaccurate. He had particular concerns with the bullet point copied at the bottom of this brief. JK agreed to contact Gavin McLennan to confirm where this information came from and get back to the SCC and ME when she had received a response.</p> <ul style="list-style-type: none"> <li>• The Elected Representatives for each area have no responsibility to reflect the Electorate/Community <b>since they sign a pledge to support the Chairman of the NP upon election.</b> Other Board members are all from outside the region.</li> </ul>	<p>JK to contact GM re wording/conditions</p>
<p><b>8 Forth Valley Health Board</b></p>	<p>Isobel Madden not in attendance so unfortunately no update Verbal confirmation of Aberfoyle and Buchlyvie medical practice commencing vaccination of those under 70 and/or with underlying health conditions. No knowledge of school reopening (main building</p>	
<p><b>9 Police Report See Appendix 2</b></p>	<p>TG – Covid breach incident in national press, At property in forest. Agent that lets</p>	

	<p>property fined as well as all attendees. Also in Stirling observer.</p> <p>Still visitors travelling outwith own area in breach of regulations</p>	
<p><b>10 Treasurers report</b> <b>See Appendix 3</b></p>	<p>SS not able to attend tonight. Bank Balance statement attached below</p>	
<p><b>11 COOP/SKS</b> <b>Community asset transfer</b></p>	<p>JK and TG gave a short update on progress to date. The Architectural and Engineering surveys were now complete and the Community Engagement exercise had resulted in 200 responses over several mediums (online, email and hard copy) which was, in the view of SKS, an excellent result. The returns offered up a good many options for use of the building with varying degrees of popularity. Not all the most popular are likely to meet the affordability criteria therefore may not make it into the final Options Appraisals/Business Case. However it is too early to say with any confidence which options will. SKS have a lot of background work to carry out and desk top modelling to finally be able to advise what is the most sensible way forward. JK expects to get much more granular information over the coming weeks and will keep the SCC up to date with progress. Report due beginning March. 200 responses from community so far.</p>	
<p><b>12. Community Life Plans</b></p>	<p><b>Aberfoyle:</b></p> <p>JK briefed that due to COVID 19 CCN have had to change their strategy in community engagement at least in the short to medium term to try and ensure that the project progresses. On confirmation at the last SCC meeting of approval to convert some of the Community Engagement funding into support virtual online workshops as opposed to actual face to face meetings CCN have run 6 online workshops and they continue to engage online with key Stakeholders in the Aberfoyle community. Results so far, given the less tangible methods of engaging with the community have been encouraging. In addition to the online workshops, in the run</p>	

up to Christmas, CCN authored an explanatory leaflet and organised a drop through every letter box in the Aberfoyle post code. The response to the leaflet drop was around 17% (and rising). This is to be followed up during February by various initiatives to build on interest expressed including a social media campaign, calls for action via personal and 'club' networks, and flyers and postboxes in the petrol station, chemist, post office and Coop. The aim is to get a minimum of 50% of the residents to sign up to engaging with the CLP process with a stretch target of 60+%. If this can be achieved using all of the methods described above CCN will be in a position to gather sufficient information to initiate a first draft of the Aberfoyle CLP however there is still every intention to hold a community workshop at the very first opportunity. CCN have done their very best not to eat into the overall fund for the face-to-face workshops in the original budget, so if this push doesn't work there is still the option of reverting to the original plan when COVID regulations permit.

JK's brief on the Aberfoyle CLP generated discussion which highlighted concerns raised by IH regarding the impact the CLP could have on development applications and by KB on the complexity of the questionnaires post through the Aberfoyle houses aimed at generating interest in the Aberfoyle CLP initiative. JK responded that the CLP was not designed to stop development in Aberfoyle but to ensure that approved development met the needs of the community. She also acknowledged that while the survey was quite detailed it was aimed at providing sufficient information due to not being able to have face to face communications.

Lynda McColl (LMc) spoke of the difficulties of trying to get folk involved/motivated. GmcE & IH previous life plan – folk see no progression from previous initiatives & this

	<p>may contribute to apathy in engaging with current initiative. ME advised that the LLTNP is starting its development plan, stressed the importance of CLP in this if the community wants to be heard and appropriate development very much part of the strategy. MF also advised that the existing CLP's and the work which had gone into them were held in high regard withing the various authorities.</p> <p><b>Kinlochard and Stronachlachar/Inversnaid CLPs Updates</b></p> <p>Ongoing work on the CLPs have been greatly hindered due to COVID 19 restrictions but notwithstanding this constraint there has been progress. JK explained that she attended a Planning meeting with the LLTNP board in regard to the Stonachlachar development and the report contained the statement that the Stronachlachar/Inversnaid CLP was considered a Material Consideration in the decision making process. This is a significant hurdle and it must be presumed from this that all Strathard CLPs will be treated in the same manner. This is a compelling reason to complete the Aberfoyle CLP as soon as is practically possible. One of the works streams set up at the last Kinlochard Workshop held in Sept 2019 – the Dark Skies Work Stream – has just produced a leaflet and this will be distributed across the Kinlochard CLP distribution list. It is an extremely informative leaflet containing many interesting facts. JK said she was going to use this example to encourage other work stream leads to start to move forward with their areas of interest and not put off until COVID 19 restrictions are lifted. It is important that work is on going if the CLP's are to remain current.</p>	
<p><b>13. SDT</b></p>	<p>IH – SDT update  Have met with SC for improving car park.  Pressure washing of walls due to take place –</p>	

	Visitor centre, Dukes court. Progressing installing Superfast BB at Braeval.	
<b>14 LLTNP update</b>	LLTNP – Have received extra money from SG budget for managing impact of Covid '19 IH asked where riverside signs had gone? The signs contained descriptions of what wildlife could see by the river. ME had no knowledge. March board meeting will be finalising budget.	ME will check with Matt Buckland LLTNP about wildlife signage
<b>15. Stirling Council</b>	<p>TG complained about the road condition of A821 through Aberfoyle. A 25 yr fix was proposed 3 yrs ago and asked if there were dates planned for this resurfacing?</p> <p>ME has an enquiry in to Council about this. A821 included in list for doing overnight works (30% more costly) will feed back when gets response.</p> <p>GMc expressed concerns on finding safer routes to school. TG - this keeps getting raised with no resolution. No engagement from school. MF advised that the Chair of parent council can act - Parents could ask SCC to take up on own behalf. MF will get safe routes to school info check re school reopening. If parent council take to headteacher &amp; if it is not taken forward they can take to their councillors to progress. No news at present about Aberfoyle Primary refurbishment progress and reopening but given weight of visitors &amp; change in patterns due to coop development, now is a pertinent time to address this child safety issue.</p> <p>SC Budget meetings will occur 25/2. 11/3. Expected to set balanced budget. Keeping council tax frozen likely to result in increases in future years or less available in budget for improvements/development.</p> <p>Other SC development work – reducing Gender based violence.</p> <p>Opportunities &amp; benefits for learning from other CC's</p> <p>GMc advised new section of Kirkton Graveyard, wall is unstable ME will raise with Barbara Docherty, manager of Cemeteries SC</p>	<p>ME/SC to respond when more info available.</p> <p>GMcE to follow up sharing info with Parent Council.</p> <p>MF to carry out a safer routes info check</p> <p>ME to inform Cemeteries lead</p>
<b>16. AOCB</b>	SVE portal info. Worth encouraging, expand how folk can contribute by volunteering in the community & highlighting opportunities available.	MF to send info

	<p>MF – SVE giving rock salt out to community groups. Community response groups asked to reregister by 28/1 for grant funding specific works</p> <p>SCC didn't reregister as a voluntary group for this.</p> <p>Community pride award 9/3 deadline MF will send</p> <p>EWM – The Woollen Mill will be reopen in April, staff have been notified but unclear what type of outlet it will be in future. This will bring the benefit of being able to promote Aberfoyle as a destination for coach tours.</p>	
--	--	--

Next Meeting Thurs 4<sup>th</sup> March at 7.15pm via Zoom

#### Appendix 1 Planning lists

## Strathard Community Council

### Weekly Planning Lists for December 2020 and January 2021

#### Notifications:

- Ref No 2020/0340/NOT Officer Lorna Gray Date Valid 21 December 2020 Proposal Construction of 640 metres of forestry track including 3 lorry turning points, 2 laybys and 4 harvesting access ramps Location Land West Of Tom An T-Seallaidh West Of Dukes Pass Achray Forest Applicant Mr Andy Malcolm Forestry and Land Scotland Aberfoyle Application Type Prior Notification Expected Decision Level DEL Community Council Area Strathard CC Advertisement Type Approved
- Ref No 2020/0324/NOT Officer Lorna Gray Date Valid 10 December 2020 Proposal Construction of 1850 metres of ATV access track Location Loch Ard Forest Aberfoyle Stirling Applicant Mr Andy Malcolm Forestry and Land Scotland Aberfoyle Office Aberfoyle Stirling FK8 3UX Agent Application Type Prior Notification Expected Decision Level DEL Community Council Area Strathard CC N Advertisement Type Approved

## Appendix 2 Police Report

### Community Council:

Trossachs and Teith Ward,  
Strathard Community Council  
[hello@ccstrathard.org](mailto:hello@ccstrathard.org)

### Reporting Period:

01/12/20 to 03/02/21 Compiled by PC Lorna Deans

### Ward Plan Priorities

#### **Antisocial Behaviour**

**You are concerned about antisocial behaviour including drunken behaviour.**

On 27/12/20 police were called to a property in the Strathard area due to concerns regarding breach of coronavirus regulations. Police attended and as a result 34 people have been reported to the Procurator Fiscal for culpable and reckless conduct.

#### **Road Safety**

**You are concerned about speeding, dangerous driving and indiscriminate parking.**

On 10/12/20 a lorry went in to a ditch on the B829 and shed its load. The road was shut for a short period of time whilst the lorry was recovered.

On 20/01/21 police were called to the A821 after a vehicle came off the road. Police assisted with the recovery of the vehicle. The 2 occupants of the vehicle were issued with fixed penalty notices for breaching coronavirus regulations.

On 22/01/21 there was a collision on the B829 involving two vehicles.

#### **Theft**

**You are concerned about homes being broken into and travelling criminals.**

Between 23/12/20 and 09/01/21 a theft of a trailer occurred in forest land near to Ben Venue, A821.

### Other Incidents /

On 11/12/20 police were called to Loch Ard regarding concerns for an unsecured boat. Police attended and were satisfied that there was no concerns for anyone, the boat appeared to have come untied from where it had been moored.

**Activity of  
note**

--

**Issues raised**

**Community  
Council  
Feedback**
